CELEB FILES: Famous for being Famous Scouting for Girls - Famous

I. Fill the blank:

Lyrics:

Staying in again on a Saturday night,
I'm going to (...1...) the sofa and turn down the lights.
I got (...2...) channels but there's nothing to see,
No wonder everybody thinks they should be on TV.

We all want to be famous.
Be a face on the (...3...).
Read our name in the papers.
Everybody wants to be on TV.
Everybody wants to be on TV.

Forget Audrey Hepburn, forget Bettie Davis.
I want to be (...4...), just for being famous.
I can't (...5...), I can't dance, I can't sing, can't you see?
But I'm (...6...) and I'm (...7...) and that's all that you need.

We all want to be famous.
Be a face on the screen.
Read our name in the papers.
Everybody wants to be on TV.
Everybody wants to be like James Dean.

I want to be the star tonight,
And (...8...) about fame in a story I sell to the news.
I want to be the star tonight,
Want to make the (...9...) as I (...10...) for the boys in the nude.

We all want to be famous.
Be a face on the screen.
Read our name in the papers.
Everybody wants to be like James Dean.

[x2]

We all want. We want to be famous.
We all want. We all want to be like James Dean.
We all want. We want to be famous.
We all want. We all want to be on TV.
We all want. We want to be famous.
We all want. We all want to be on TV.
We all want. We want to be famous.
We all want. We all want to be like James Dean.
