Mr Brookes: Good evening! We would like a table for two!

Waiter: All right. Let me see. Just a moment, please... Oh, yes. We have a table for two next to the terrace. Is it all right for You?

Mrs Brookes: That's perfect!

Waiter: What would you like to drink?

Mrs Brookes: I'd like a glass of orange juice.

Waiter: And You, Sir?

Mr Brookes: A small glass of mineral water, please...and we would like the menu, please.

Waiter: Certainly, Sir.

Waiter: Here you are. Your drinks. What would you like to eat, Madam?

Mrs Brookes: I'd like some soup, but I can't decide. What do you recommend?

Waiter: The chicken soup is very good.

Mrs Brookes: I don't really like meat soup. Can you recommend something else?

Waiter: Of course! The tomato soup is very tasty.

Waiter: What would you like after the soup?

Mrs Brookes: I'd like a breaded chicken breast.

Mr Brookes: First I'd like a shrimp cocktail.

Waiter: Perfect choice! And after the shrimp cocktail?

Mr Brookes: ...and for main course I'd like a beef steak with some mashed potatoes and some vegetables.

Waiter: What kind of vegetables?

Mr Brookes: Corn and grilled tomatoes. Thank you.

Waiter: All right. How would you like the steak? Rare, medium, or well-done?

Waiter: Excuse me, Madam. Can I take your plates away?

Mrs Brookes: Oh, yes. Thank you.

Waiter: Would you like a dessert or some coffee?

Mrs Brookes: I'd like a white coffee with very little sweetener and two scoops of lemon ice-cream. No whipped cream, please. And my husband would like a cup of strong black coffee and a piece of cherry pie with vanilla ice-cream.

Waiter: Anything else?

Mr Brookes: No, thank you.

Mr Brookes: Excuse me! I'd like the bill, please.

Waiter: Certainly, Sir.

Ebben a leckében az ételek mellett egy nagyon fontos kifejezést is megtanulunk, ami nem más, mint a WOULD LIKE.

A WOULD egy módbeli segédige, de most elég, ha megtanuljuk a WOULD LIKE kifejezést, ami annyit tesz, hogy "SZERETNÉK", tehát a "WANT" ige udvariasabb formája (jelentésileg). Akkor kell használnod, ha szeretnél valamit, vagy szeretnél valamit csinálni. Ha szeretnéd megkérdezni, hogy valaki szeretne-e valamit, vagy szeretne-e csinálni valamit, akkor is ezt kell használnod.
